Dear Sirs

You will find inclosed $36.00 for the Proof Sets which you sent to me I find on more careful examination that some of them are not in good condition being much scratched & spotted which of course makes them of less value than the Sets which I have are all brilliant proofs and I prefer to have them all alike. I want a 10 cent piece & one cent of 1877 in Proof & much you would get them for me also. What can you furnish me with a ~~78~~ 78 Bland Dollar Proof. Do you want a Proof Set of 77 complete with 21 cts except the Dollar as above mentioned what will you give for it I frequently have parties buying foreign & american coins to me to sell as I only care to sell

to my own set I do not keep them. Do you want any
american Silver + foreign coin. what do you pay for
it? Have you any Odd Fellows Medals or any relating
to that society what are they condition + Price
I will not trouble you with any thing
more this time

Respectfully Yours

Dear Sir

Your letter containg Prof Ho & Perry's 1/72. & Express Rec'd duly received I am very much obliged to you for sending the same and am very sorry that I am unable to keep many of them when I do. I have used all of my spare change in buying books and I am short. Some of those fine prints I would like very much to have. but I will not be able to buy any thing more until after July 13th when if every thing goes well I may invest some more in coins. I have taken the liberty of exchanging with you 2 pat one of my 1851

cents in the place of yrs there I put in is a little better than the one I keep. I have a No. of 31 bright red but they are all alike yrs was a little diffrent I also keep the list yrs sent with the coins and owing $11.85. I collect U.S. Coins full Series Gold except I am short 1/4 Cent in fine condition 93 95-96 1814-99 I would like to have a/s a wreath + St. Grp. 93. in my list will write yrs when I am in funds again.

If at any time yrs get any Half Dollas. Telw 1806. in fine Condition or better that can be sold cheap let me know. also Hunt's. I'd like to get.

I cannot say that I agree with yrs as to condition of some of the pieces I think yrs have placed them to high.
